silk textured waste: a random mix of colour harmonies 100gms = \$38.00

silk texture waste: a random mix of colour harmonies 100gms = \$38.00

hand-dyed fabrics

[silk velvet fabric solid colours](#)

a selection of repeatable solid colours hand-dyed onto scrumptious silk velvet (20% silk and 80% viscose) the velvet is twisted to dry leaving a scrunched appearance to the fabric (may be ironed out). sold in the following increments: small square approx (14 gms) 23cm x 25cm = \$4.50; rectangle approx (28 gms) 23cm w x 55cm long = \$8.75; one meter (112cm wide, 205gms) = \$70.00

[tissue silk fabric colour harmonies](#)

a selection of repeatable colour harmonies hand-dyed on very fine lightweight 5mm pure silk georgette. this superb quality fabric, it will not run or snag and is lovely for felting. 1.5 meter minimum is suggested to get the full harmony repeat, 114 cm wide, 1 meter minimum. \$13.25 per meter

[tissue silk fabric solid colours](#)

a selection of repeatable solid colours hand-dyed on very fine lightweight 5mm pure silk georgette. this superb quality fabric, it will not run or snag and is lovely for felting. 114 cm wide, 1 meter minimum. \$13.25 per meter

[new! paj silk fabric colour harmonies](#)

a selection of repeatable colour harmonies hand-dyed on 5mm pure silk paj. this is a slightly shinier fabric than the georgette - wonderful for felting. 1.5 meter minimum is suggested to get the full harmony repeat, 112 cm wide, 1 meter minimum. \$13.25 per meter

machine crafted fibres

colour nuances

colour nuances are a uniquely coloured, machine crafted range of superfine (18.5 micron) merino wool tops that reflect the subtle tonal variations found in nature. for your ease, we have especially created three palettes within the range - neutrals/pastels, earth tones and brights. sold in the following increments: 125gms = \$13.75 250gms = \$27.50 500gms = \$55.00 1 kg = \$110.00 (inquiries welcome for quantity discounts)

colour nuance sampler mixes

foundation palette: a great way to try a little bit of a lot of colours. contains nearly all 34 colour nuances, approx. 50 cm each. 400gm = \$47.00

colour nuance sampler mix: by ordering a sampler mix you will receive approximately one meter of eight to ten different colours in a particular colour palette. three palettes to choose from:

neutral/pastels 250gm = \$29.00; **earth tones** 250gm = \$29.00; **brights** 250gm = \$29.00

colour nuance batts

we are using our superfine merino colour nuances to create an exclusive range of blended colourways. batts are approx. 180cm long x 50 cm wide and can be peeled in half to create two (or more) thinner batts. 200gm batt = \$27.50

medium grade wool batts

natural coloured 26 micron (approximate microns, it does vary somewhat) batts available in white, sandy beige, silver grey, dark grey brown, smokey grey and cinnamon. great for school kids projects, felt carpets or wall hangings. the size of a batt is 2.4 x 1.8 meters, 2cm thick and weighs approx. 1.3 kg = \$78.00 (\$60/kg). smaller pieces may be purchased by the square meter, average weight being 250gms per square meter = \$15.00

miscellaneous products

undyed fibres

tussah silk top: shimmering honey coloured grade A1: 50 gm = \$8.00, 100 gm = \$16.00

bombyx (mulberry) silk top: the 'queen bee' of silk - incredibly lustrous, brilliant white grade A1 silk: 50 gm = \$10.00 or 100 gm = \$20.00

silk hankies: a "hanky" is a degummed bombyx silk cocoon that has been stretched over a square frame. each layer consists of a cobweb-like random preparation of silk. several layers together become dense in appearance. great fun to experiment with: 50 gm = \$11.00 or 100gm = \$22.00

silk texture waste: spaghetti-like (degummed) bombyx silk filaments, fantastic for texture. it has a soft lustre and a defined and robust character: 50 gm = \$8.00 or 100gm = \$16.00

tissue silk fabric: very lightweight silk georgette, 114cm wide, 1 meter minimum. \$8.25 per meter

superfine merino wool top: beautiful natural white superfine merino wool top 18.5 micron: 250 gm = \$13.70; 500 gm = \$27.50; 1kg = \$55.00

brooch pins

a modern take on a classic kilt pin. Matt antique brass \$3.00 each

felting needles

medium felting needles \$1.00 each.

olive oil soap

wonderful for the wool, great on your hands greek olive oil soap. bars 250gms = \$3.00 each

feltmaking books

felt - irresistibly beautiful projects by robyn steel-stickland. a beautifully presented book with a wide range of projects for beginner - intermediary feltmakers. an up-to-date set of basic instructions are well illustrated with step by step photographs. many of the projects feature treetops colour harmonies wools and silks. printed in 2006. cost \$25.00. weight 350gms

how to make felt by soosie jobson. a simple step by step manual presenting three different felting techniques. great for beginners who want to know more. methods covered are 1)rolling and tossing 2) sanding and tumbler dryer 3) using only the tumble dryer. cost \$14. weight 32gms

making patterns for felt garments by soosie jobson. a simple how-to manual with step by step instructions. learn how to create a template that fits your body, then felt a garment using the seamless resist technique. cost \$14.00. weight 32gms

new! Gentle Threads - book by hungarian feltmaker judit pocs

treetops is proud to be the sole australian distributor of judit's fabulous book and dvd. the book is a collection of beautifully designed and creatively inspiring pictures of exotic sculptural hats, 3-D objects, and fantasy animals. cost \$40.00 (if shipped individually postage is \$2.60) weight 180gms

new! On Gentle Threads - dvd by hungarian feltmaker judit pocs

the dvd is a transition between a portrait-like documentary and an educational film. it showcases the phases of felt production, from sheep trimming through wool processing to the various felt techniques. it aims to elevate felt into the heights of a modern artistic medium (and this it does beautifully!). cost \$40.00 (if shipped individually postage is \$2.10) weight 100gms

silk paper instructions and adhesive mediums (also called silk fusion)

this simple technique creates a silk fabric without having to spin or weave the fibres first. they are held together instead by adhesive mediums (see list below). the silk 'paper' can be easily manipulated in a variety of ways - scrunching, moulding, stitching.... you can create sculptural pieces, jewellery, book coverings, collage, free machine embroidery, hats, purses, etc. it's diverse applications are limited only by your imagination! for more information on silk paper.

comprehensive instructions: creating silk 'paper' (also called silk fusion) by nancy ballesteros (or download free from our website - www.treetopscolors.com.au/) \$2.00

acrylic gloss medium/varnish by atelier: great for creating jewellery, sculpting, mixed media, machine embroidery. a crisper finish. maybe diluted up to 90% with water for a softer handle. (weight 300 gm): 250 ml bottle = \$15.50

textile medium by jo sonja's: great for wearable art and accessories. a more mouldable and flexible finish that is waterproof and hand washable (weight 300 gm): 250 ml bottle = \$13.50

colour cards

actual fibre samples wrapped around floss cards. tussah silks presented in slide pockets.

bombyx colour harmonies: thirteen hand-dyed bombyx silk colour harmonies: \$10.00

tussah silk colour harmonies: twenty-three hand-dyed variegated colour harmonies: \$18.00

tussah silk solid colours: twenty-two hand-dyed solid coordinates: \$16.00

silk texture waste: samples of fourteen colour harmonies: \$18.00

superfine merino colour harmonies: thirty-five hand-dyed variegated colour harmonies:
28.00

superfine merino solid coordinates: twenty-five hand-dyed coordinating solid colours: \$17.50

superfine merino colour nuances: 34 uniquely coloured, machine crafted solid colours: \$28.00
